<sup>1</sup> Notice of United States Postal Service of Filing a Functionally Equivalent Global Expedited Package Services 3 Negotiated Service Agreement and Application for Non-Public Treatment of Materials Filed Under Seal, Docket No. CP2016-222, June 17, 2016.

Decision No. 08-7, but as revised and updated in the most recent draft working copy of the MCS available on the Commission's website.<sup>2</sup>

This additional GEPS 3 contract is intended to become effective on July 1, 2016. If the effective date of the agreement is the first of the month, the agreement that is the subject of this docket is set to expire one year after its effective date. If the effective date of the agreement is not the first of the month, the agreement is set to expire on the last day of the month in which the effective date falls in the year subsequent to the effective date. This agreement is a successor to the agreement with the same customer filed in Docket CP2015-63, which expires June 30, 2016.<sup>3</sup>

### ***III. Functional Equivalency of GEPS 3 Contract***

This GEPS 3 contract is substantially similar to the contract filed in Docket No. CP2010-71. The contract shares similar cost and market characteristics with that contract. In Governors' Decision No. 08-7, the Governors established a pricing formula and classification that ensure that each GEPS contract meets the criteria of 39 U.S.C. § 3633 and the regulations promulgated thereunder. Therefore, the costs of each contract conform to a common description. In addition, the GEPS language proposed for the MCS requires that each GEPS contract must cover its attributable costs. The contract at issue here meets the Governors' criteria and thus exhibits similar cost and market characteristics to the previous GEPS contracts.
